

Security organization worksheet

Part 1: Describe your security interests
<ul style="list-style-type: none">• Incident Response• Penetration Testing• Security Operations Center (SOC) Analyst
Part 2: Identify three organizations and include their mission or objectives
<ul style="list-style-type: none">• Organization 1: Mandiant provides public and private organizations and critical infrastructure worldwide with early threat insights through unmatched intelligence and response expertise for the highest-profile incidents.• • Organization 2: Raxis Red Team provides an adversary simulation service and is called on to help organizations understand the effectiveness of their cybersecurity defenses. They deploy their most experienced and accomplished team members to mount a real-world attack on both physical facilities and business systems.• Organization 3: Expel's managed security service model provides alternatives for more customized, scalable approaches to SOC—fully as-a-service, hybrid, or tailored for specific attack types—so stakeholders can get the security their businesses need.
Part 3: Write out which organization aligns with your interests and why
<ul style="list-style-type: none">• Organization 1: Mandiant• Organization 2: Raxis• Organization 3: Expel• Best choice for my professional interests: Expel is the best choice for me because of the versatility of its SOC-as-a-service platform. Being active in a SOC represents the core of my interest in the cybersecurity field, and Expel's services would be of great assistance to me in my endeavors.
